HAMZA MALIK

Machine Learning Intern

Email: hamza.malik@example.com | Phone: +92-300-0000003

Location: Karachi, Pakistan

PROFESSIONAL SUMMARY

Computer science graduate interested in machine learning, model evaluation, and Python application development.

TECHNICAL SKILLS

Python, machine learning, scikit-learn, pandas, NumPy, SQL, Git, model evaluation

EDUCATION

BS Computer Science, Example University, 2025

EXPERIENCE / PROJECTS

Machine Learning Intern — Demo Labs | 2025

- Prepared datasets and trained baseline classification models using scikit-learn.
- Evaluated models using precision, recall, and F1-score.
- Documented experiments and maintained project code in Git.
